

GAUTIER CAPUCON

New-York, 7<sup>th</sup> April 2022

To Howard Griffiths / Orpheum Foundation

Dearest Howard,

I am very happy to write to you today and warmly recommend the cellist Anouchka Hack for the Orpheum Foundation.

Anouchka was a student in my *Classe d'Excellence de Violoncelle* of the Louis Vuitton Foundation in Paris in the previous years.

She is a very willing and committed person. Passionate and with a great intensity in the sound, she is a fine musician and artist. I am following her career since she left the class, she made a beautiful first Shostakovitch recording together with her sister and performing as soloist and chamber music.

I sincerely recommend Anouchka Hack for the Orpheum Foundation.

Avec toute mon amitié,

Gautier Capuçon
